Non Retailer - Defined as:

- A company whose primary business is selling products/services to other businesses.
- A company that sells less than 75% retail products/services to consumers through a retail channel, i.e. store, online, catalogue.
- Other non-retail professional services provided to consumers (e.g. banks, education institutions).

If you represent a group of retailers (i.e. Co-op, Buying Group, etc.), please complete the retailer application form and calculate fees based on total retail sales for all stores within the group.
