

# We're hiring!

As part of responding to the current environment, Walmart Canada is hiring 10,000 new associates to work in stores and distribution centres. This initiative is aimed at helping put Canadians to work and better serve our customers during this time of increased demand.

**We're seeking Store Associates to support our teams in the following ways:**

- Assisting our customers throughout the store
- Keeping our shelves stocked
- Unloading merchandise
- Maintaining a safe and clean environment

**Successful candidates have the following:**

- Desire to be of service and be a Walmart ambassador
- Previous retail experience is not a requirement
- Ability to lift, handle and move goods throughout the store
- Adaptability to various physical environments and store conditions

**All successful candidates will be required to attend orientation and complete Walmart training.**

At Walmart Canada, **This is That Place** to make a difference.

We invite and strongly encourage you to apply now at
