2000 DESCRIPTION OF CHARGES8

3000 SCHEDULE OF FEES - SCHEDULE D10

1000	TERMS & CONDITIONS
1010	<p>CHARGES GENERALLY: The rates, charges, terms, conditions and definitions named in this Schedule of Fees and Services apply to all cargo and container services performed by Tidewater Container Services Inc. (Tidewater or Company) at the Tsawwassen Container Examination Facility (TCEF) premises without specific notice, quotation or prior agreement.</p> <p>All services provided by Tidewater at the TCEF are performed in accordance with the terms and conditions set forth in Harbour Link's Off-Dock Container Terminal tariff issued November 20th 2009 and shall be binding upon the parties.</p> <p>All drayage services are performed in accordance with the terms and conditions set forth in Harbour Link's Motor Carrier Service Agreement</p> <p>The use of Company property or services shall be deemed complete acceptance of the fees herein and the terms and conditions set forth herein.</p> <p>The charges prescribed herein are due as soon as they are incurred.</p> <p>All charges are for the account of the ocean carrier (for payment by the beneficial cargo owner to the ocean carrier) pertaining to cargo and containers that are selected for examination by CBSA.</p> <p>The Company reserves the right to require full payment of all charges in advance of the containers/ cargo being released from Tidewater's care and control.</p> <p>Charges paid by Credit Card will incur an interest levy as set forth in Item 3150 of this tariff.</p> <p>All charges set forth in this schedule of fees are based on performing work during straight time periods and are payable to Tidewater whose address is shown on the cover of this schedule of fees and services and all invoices. The charges (where applicable) are subject to the assessment of tax levies as decreed and prescribed by the Laws of Canada.</p>
1020	<p>GRANTING OF CREDIT: When credit approval is granted by the Company, the charges set forth in this schedule of fees are payable by the date due as shown on the invoice and, where any charge is not paid within that time, an additional charge of two (2) per cent of the unpaid charges shall be imposed for each thirty day (30) day period or portion thereof such charges remain unpaid.</p>
1030	<p>CONTAINERS & CARGO RECEIVED OR DELIVERED: All containers and cargo received for redelivery to an inland carrier / shipper or consignee are in transit until other specific arrangements are made by the owner with Tidewater Container Services Inc.</p> <p>Notwithstanding the terms of sales or transport, contracts and other considerations or agreements; containers and cargo while on Company property shall remain in the Company's care and custody as warehousemen until they leave the Company's premises and a delivery order or other document approved by the Company has been accomplished.</p>

	Containers are received by the Company when a receipt or other document approved by the Company has been accomplished. Containers are delivered by the Company when a delivery order or other document approved by the Company has been accomplished.
1040	<p>RIGHT TO REFUSE CONTAINERS: The Company reserves the right, without responsibility for demurrage, loss, or damage attaching, to refuse to accept, receive:</p> <ul style="list-style-type: none"> • Containers laden with cargo which are deemed to be extra offensive, perishable or hazardous. • Containers laden with cargo, the value of which may be determined as less than the probable charges to be incurred. • Containers laden with cargo which are not suitably packaged to withstand the ordinary handling associated with its transportation and transfer through Company premises. • Containers during a period of severe congestion or other emergency, when, in the judgement of the Company the circumstances then prevailing will prevent the Company from providing usual care and custody as warehousemen.
1050	CHARGES IN CANADIAN FUNDS: All fees are quoted in Canadian dollars.
1060	<p>COMPULSORY REMOVAL OF CONTAINERS: The Company may by written notice to the owner of containers and cargo that are on Company property require the removal of the containers / cargo at the owner's expense and risk. Upon receipt of such notice, the owner shall remove the containers / cargoes forthwith from Company property.</p> <p>The Company may at the risk and expense of the owner of containers / cargo, either remove or transfer to another location on Company property any container / cargo which in the opinion of the Company is offensive, hazardous, or which, by its very nature, is liable to endanger persons, company facilities or damage other cargo or containers situated on Company property.</p>
1070	RIGHT TO WITHHOLD DELIVERY: The Company reserves the right to withhold the delivery of containers / cargo and the contents therein until all accrued charges have been paid in full.
1080	RIGHT TO SELL FOR UNPAID CHARGES: The Company reserves the right to sell containers and the contents therein on which unpaid charges or costs have accrued, providing the owner has been given adequate notice to pay and to remove the containers but has neglected or failed to comply except by handing over the containers to an authority or other third party to whom, pursuant to law or regulation, the containers must be transferred.
1090	EXPLOSIVES & OTHER HAZARDOUS CARGO: The acceptance, handling or storage of containers laden with explosives, excessively flammable and other hazardous cargo is subject to obtaining prior approval from the Company, and to making special arrangements for their handling and care as governed by the rules and regulations established by the Government of Canada and other authorities for the transportation, warehousing and handling of dangerous and hazardous cargo.

	<p>A detailed description of the hazardous cargoes must be presented to the Company in advance, which is to include the International Maritime Organization (I.M.O.) code and rating for each hazardous commodity to be handled or stored on Company premises.</p> <p>All shipments must display appropriate hazardous / dangerous goods placards as approved by IMO. A dangerous goods statement, a safe packing statement and an emergency response form (where applicable) must also be provided to the Company in advance of presenting hazardous cargo to the Company.</p>
1100	<p>CARGO REQUIRING REFRIGERATION: With the exception of power connections for reefer containers, the Company offers no facilities for the special handling of cargo requiring refrigeration.</p> <p>In the case of reefer containers, the Company will exercise reasonable care to provide adequate and continuous electric power for refrigerated containers but does not guarantee same. The Company will not be responsible for electric power failure.</p> <p>The Company will not be responsible for deterioration of refrigerated cargo while on Company property.</p>
1110	<p>SECURITY & SAFETY: All customers and other users of Company premises are required to comply with all security and safety procedures established by the Company while on or using Company property.</p>
1120	<p>LIABILITY:</p>
1121	<p>Cargo and Containers: The Company shall not be liable for any loss or damage to cargo or containers, nor for any loss, damage, destruction which results from animals, insects, rodents or vermin; nor from decay, deterioration, evaporation, shrinkage or loss of quantity, quality or value from inherent vice of product; nor from fire, leakage or discharge from fire protective sprinklers, oxidation or rusting; nor from civil disorder, insurrection, riot, strike or worker stoppage; nor from other cause, no matter how caused, unless:</p> <ul style="list-style-type: none"> • The loss, destruction or damage occurred solely as a result of Gross Negligence of an officer or employee of the Company while acting within the scope of their duties or employment, and • Within thirty (30) days after the cargo or containers were removed or should have been removed from Company property, notice of the loss, destruction or damage and the general nature thereof is given in writing to the Company, and • Within six (6) months after the cargo or containers were removed or should have been removed from Company property, a claim setting out in detail the nature and value of the loss, destruction or damage is given in writing to the Company, and • Legal proceedings to enforce a claim for such loss, destruction or damage are instituted

	within one (1) year from the time the loss, destruction or damage was incurred.
1122	<p>Injury to Persons (Including death): The Company shall not be liable for the death of or personal injury to any person, including but not limited to persons in the employ of customers, persons associated with the transfer and handling of cargo, containers or goods, and/or visitors, invitees and other persons unless such personal injury or death occurs directly and solely as a result of the proven Gross Negligence or wilful misconduct of the Company, or an officer or employee of the Company while acting within the scope of their duties or employment. Notwithstanding the forgoing, the Company shall not be liable for any loss, injury or death caused by the Company's equipment to persons while on Company premises, whether by collision or otherwise, nor for any consequential loss or damage arising there from.</p>
1123	<p>Damage to Vehicles & Inland Carrier Trucks: Vehicles while on Company property are at owner's risk. The Company nor its employees, servants or agents shall not be liable for any loss or damage to vehicles caused by the Company's equipment whether by collision or otherwise, nor for any consequential loss or damage whether or not arising from the negligence of the Company. Terminal Notices and Rules applicable to vehicles and drivers while on Company property are an adjunct to and form part of the terms and conditions of this tariff and the use of Company property. All vehicles are at owner's risk for loss or damage while on Company property no matter how caused.</p>
1124	<p>It is a condition of use of Company premises and the performance by the Company of the services referred to in this Schedule of Fees that the Company shall be entitled to the same exceptions, exemptions, restrictions and provisions of limitations of liability as set out in the favour of the Company's client in any bill of lading or other document that pertains to the persons, the cargo or containers in question, issued by, or existing between the Company's client and their customer.</p>
1125	<p>It is a condition of the performance of services by the Company that the Company, its officers, or employees are not liable for any loss or destruction of cargo in any amount exceeding:</p> <ol style="list-style-type: none"> 1. The landed cost of the cargo, including invoiced cost as paid to the supplier, plus freight, insurance and any duty paid and not refundable, or 2. One hundred (\$100.00) dollars per package or per customary freight unit, whichever is less, unless the nature and value of the cargo is declared in writing to the Company at or before the time the cargo is received by the Company. For the purpose of clause 2, when cargo is received or shipped by the Company within a container, trailer or railcar, the container, trailer or railcar and not the number of packages therein shall, for the purposes of clause 2, be deemed to be a package or customary freight unit. <p>It is a condition of the performance of services by the Company that the Company, its officers, or employees are not liable for any damage or destruction to containers or chassis in our care and control in any amount exceeding:</p>

	<ol style="list-style-type: none"> 1. the reasonable cost of repair of the container or chassis to its condition immediately before the event that caused the damage or loss, or 2. the value after depreciation of the container or chassis immediately before the accident, less salvage value, whichever is less.
1126	The Company shall have the option to restore a container or chassis to its condition immediately before the event that caused the damage or loss, in which event the Company shall have no further liability for any loss or destruction or damage to the subject container(s) or chassis(s).
1127	<p>SAFETY POLICY: All visitors and vehicles shall adhere to Terminal Notices and Rules and Company Safety Policy while on Company property: These include</p> <ul style="list-style-type: none"> • Visitors shall wear High Vis vests at all times when on Company property except when in the parking lot designated for visitor vehicles and visiting the terminal office. • Visitors shall wear steel toed footwear. • Vehicles shall not exceed the posted speed limits • Visitors shall comply with all Occupational Safety and Health Regulations. • Visitors shall grant the right of way to the Company's container handling equipment and vehicles.
1128	<p>ZERO TOLERANCE: The Company maintains a zero tolerance policy with respect to the consumption of alcohol, cannabis or the use of illegal substances and will disbar any person from entering or being present on Company property who is deemed by the Company to be impaired by the consumption of alcohol, cannabis or the use of illegal substances.</p>
