In 2024, over 87% of Easter-celebrating Canadians aim to increase or maintain their spending compared to last year.

Make better decisions, faster, with access to rapid insights at every stage of the consumer journey

Methodology

Caddle, in partnership with the Retail Council of Canada (RCC), surveyed Canadians from coast to coast to better understand consumers' shopping intentions around Easter.

Surveys were conducted in February 2024 using Caddle's mobile platform and online panel amongst a representative randomized sample of $n= 9,001$ and $n= 8,874$ Canadian adults.

All data presented is owned by Caddle and has a margin of error of 1% or lower. The survey was self-commissioned and paid for by Caddle, Inc.

AskCaddle®

Caddle® is the largest daily and monthly active panel in the Canadian market. Our mobile-first insights platform rewards Canadians for sharing data and engaging with brands.
